Weatherford College Board of Trustees

DATE: September 1, 2020

AGENDA ITEM #4

SUBJECT: Consideration and Possible Action: Adoption of the 2020 Ad Valorem Tax Rate of \$0.12535816 (\$0.12078 for Maintenance and Operations and \$0.00457816 for Debt Service)

INFORMATION AND DISCUSSION: As proposed on August 13, 2020, the administration is recommending a tax rate of \$0.12535816 per \$100.00 assessed valuation for the 2020 tax year. This rate includes the maintenance and operations rate of \$0.12078 and the debt service rate of \$0.00457816. Based upon the certified appraisal roll of \$15,548,661,479 the 2020 rate of \$0.12535816 is estimated to generate \$17,920,283 in maintenance and operations tax revenue and the required \$594,200 necessary to fund debt service for the 2020-21 fiscal year.

RECOMMENDATION: That the Board of Trustees adopt the 2020 ad valorem tax rate of \$0.12535816 (\$0.12078 for maintenance and operations plus \$0.00457816 for debt service) by also adopting the Tax Ordinance Fixing and Levying Ad Valorem Taxes for the Weatherford College District for the Year of 2020 and for each year thereafter until otherwise provided. The motion below is required by the Texas Tax Code 26.05 (b):

“I move that the property tax rate be increased by adoption of the tax rate of \$0.12535816 (\$0.12078 for maintenance and operations plus \$0.00457816 for debt service), which is effectively a 7.99 percent increase in the tax rate (percentage by which the proposed tax rate exceeds the no-new-revenue tax rate).”

AGENDA ITEM: #5

SUBJECT: Consideration and Possible Action: Remote Proctoring Solution #RFP-02-21

INFORMATION AND DISCUSSION: Weatherford College is seeking procurement, implementation, training and ongoing support of a remote proctoring solution as a cloud subscription service that will increase the efficiency and integrity of testing in the Canvas online classroom by allowing students to take proctored exams in a remote setting. A Request for Proposals (RFP) was sent out to interested companies on August 6, 2020 and returned at 2:00 p.m., August 25, 2020. The cost of this service will be partially paid with CARES Act Funds during 2020-2021.

Five companies responded to the RFP for this system, which included Honorlock, Inc., Proctorio Inc., SmarterServices, LLC, Talview, Inc. and Verificent Technologies Inc., who all met the specifications. The selection process included a review of the proposals by members of the Selection Committee: Greg Shrader, William Smith and Josh Sterling.

According to Texas Education Code 44.0352, the district shall select the proposal that offers the best value to the district based on the published selection criteria and on its ranking evaluation. In determining the best value for the district, the district is not restricted to considering the price alone but may consider other factors stated in the selection criteria. The specifications contained established criteria explaining how each company would be evaluated, which included:

- System capability and functionality – 60%
- Total cost of ownership including first three years of maintenance – 30%
- Conversion, implementation and training – 10%

Based upon the evaluation of the criteria ranking and the justifications submitted by the selection committee, the members consider Honorlock, Inc. to represent the best value on the Remote Proctoring Solution for Weatherford College due to their superior functionality as well as unique feature for seek-and-destroy technology.

RECOMMENDATION: That the Board of Trustees award proposal to vendor as presented along with authorization to enter into a contract with the vendor subject to General Council review and approval.
